NOTES TO FINANCIAL STATEMENTS

PRINCIPAL ORGANIZATIONAL ACTIVITY

New Canaan CARES, Inc., (the “Organization”) is a Connecticut Corporation, and an independent, non-profit community organization whose purpose is to advance the health and well-being of youth and families. The Organization provides responsive educational programs and professional development that support and strengthen parenting skills, positive youth development, and healthy lifestyles. The Organization derives most of its funding through contributions and special fundraising events.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of New Canaan CARES, Inc. is presented to assist in understanding the financial statements. These financial statements and notes are the representation of the management, who is responsible for their integrity and objectivity.

Basis of Accounting

The accompanying financial statements have been prepared on the cash basis of accounting. This method differs from generally accepted accounting principles since it requires revenues and their related assets to be recorded when received rather than when earned and their related liabilities to be recorded when paid rather than when incurred.

Basis of Presentation

The Organization prepares its financial statements using standards established by the Financial Accounting Standards Board. Accounting standards require reporting its financial position and activities according to the following asset classification.

Net Assets Without Donor Restrictions

Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose at the discretion of the Organization’s management and governing board to use in carrying out the operations of the Organization in accordance with its charter and by-laws.

Net Assets With Donor Restrictions

Net assets subject to restrictions imposed by donors. Some restrictions are temporary in nature which can be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature where the donor has directed the funds be maintained in perpetuity.

Contributions received are recorded as donor restricted or unrestricted depending on the existence/nature or absence of restrictions. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, stipulated time restriction ends or purpose restriction is accomplished), net assets are reclassified to net assets without donor restrictions in the statement of support, revenue, expenses and other charges in net assets – cash basis.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

Cash and Cash Equivalents

The Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Donated Materials and Services

Donated materials or equipment, when received, are reflected as contributions in the accompanying statements at their estimated fair value at date of receipt. No amounts have been reflected in the statements for 2018 for donated services since no objective basis is available to measure the value of such service; however, a substantial number of volunteers have donated significant amounts of their time in the Organization's program services and in its fund-raising appeals.

Functional Expenses

The cost of providing program and other activities have been summarized on a functional basis in the statement of support, revenue, expenses and other charges in net assets – cash basis and in detail in the statement of functional expenses. Certain costs have been allocated among program and supporting services. Such allocations are determined by management on an equitable basis based on periodic time and expense studies. Support expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization. Support expenses have been allocated on the basis of estimates made by management.

2. **INCOME TAXES**

New Canaan CARES, Inc. is a "not-for-profit" organization as described in Section 509(a)(1) of the Internal Revenue Code and is exempt from federal incomes taxes under Section 501(c)(3) of the Internal Revenue Code. New Canaan CARES, Inc. accounts for uncertainty in income tax positions in the financial statements by applying a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Management has analyzed the tax positions taken and has concluded that as of June 30, 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. New Canaan CARES, Inc. is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Federal information returns are subject to examination for a period of three years from the filing date of the return; fiscal years ended June 30, 2016- 2018 remain open.

3. **BOARD DESIGNATED NET ASSETS**

The Board of Directors of the Organization have designated a portion of unrestricted net assets, \$250,000 for the following purpose:

Funds estimated for future expenses for program costs related to insure that responsive educational programs can be continued in event of a downturn in funding.
